The campaign tried to file the End of Year report online, but were unable to do so due to a software glitch. A required document submitted on January 23, 2014 did not yet show in the system so the campaign did not timely receive the filing password. A paper/hard copy of this report was overnighted to the FEC along with a screen shot showing the error code. The FEC technical team was instrumental in resolving the issue and verified the required document had in fact been in the system since January 23, 2014.
